If you want to put healthier eating habits on the menu, mindfulness may be a simple and effective place to start! It's not about dieting or restrictions – it's about taking a moment to take it in.

Try these easy ways to incorporate mindful eating into your day, so you can Eat Smart at every meal:

PONDER: Check in with yourself about your hunger before you eat – you may actually be thirsty, bored or stressed.

APPRAISE: Take a moment to take it in. How does it smell? Do you really want it? Is it more than you need?

SLOW: Slow down so your brain can keep up with your stomach. Put your fork down between bites and focus on the flavor.

SAVOR: Enjoy your food. Take a moment to savor the satisfaction of each bite – the taste, texture, everything!

STOP: Stop when you're full – there's no need to join the clean plate club if it means overeating.
