Together to End Stroke®

# I WILL help my patients redefine courage.

Stroke can change anyone's life in an instant. Partner with your patients to redefine their courage and enable them to celebrate achievable victories through effective rehab. Guide patients on the recovery journey using our free and convenient online resources:

- A new audio series featuring stroke rehab experts discussing the current guidelines in a convenient, on-the-go format. Topics include:
  - The Rehabilitation Program
  - Transitions in Care
  - Prevention and Medical Management of Comorbidities
  - Assessment
  - Sensorimotor Impairments
- Quick sheets with key stroke rehab + recovery recommendations based on the most recent science guidelines

**Find these and other resources at  
[Stroke.org/RehabGuidelines](https://stroke.org/RehabGuidelines)**
